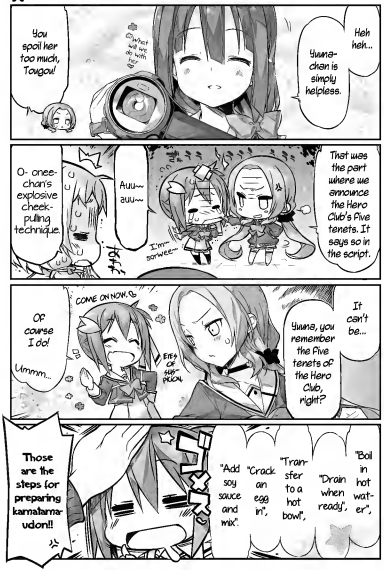
✲Take a stab



You spoil her too much, Tougou!
Heh heh...
Yuuna-chan is simply helpless.
That was the part where we announce the Hero Club's five tenets. It says so in the script.
Auu~ auu~
O- onee-chan's explosive cheek-pulling technique
I-I'm sorree~
It can't be...
Yuuna, you remember the five tenets of the Hero Club, right?

What a blooming face.

My little sister is totally cute...
You did well
Next is... how about we film our daily routines?
I... don't really have much to say.
Aren't you going to do a self-introduction, Tougou-san?
You guys...
Don't hold back out of consideration or anything like that.
YEAH!!
I WON'T LET THAT PASS! TOUGOU-SAN IS A MEMBER OF THE CLUB JUST LIKE US.
And to think it started out so heart-warming!
It's really okay, though. I'm certain that I would just end up droning on endlessly about anything related to Yuuna-chan.
